Mentor Spotlight

This month's mentor spotlight is Debra Sherill!

Debra has been mentoring with THRU Project since April 2022. She became a mentor because she heard about the struggles that youth aging out of foster care experience and wanted to provide the kind of support that her own children had during that time in their lives.

Over the years, Debra has learned that giving young people positive reinforcement, helping them set goals and providing guidance can make a big difference in their success. Debra has put that mindset into practice while helping her mentee, Alex. Before the holiday break, Debra joined Alex on a tour of Texas State University. Debra understands that college admissions can be overwhelming, so she wants to work with Alex through the process.

Debra keeps in contact with Alex on a weekly basis; their favorite activity is to meet for brunch. They talk a lot about the future; Debra is great at encouraging Alex as she plans for college. One of Debra's favorite memories with Alex was meeting for an impromptu lunch one afternoon. Debra said, "It was so nice to see Alex light up when she talked about her future plans."

Debra shared, "Alex is beautiful inside and out, bright, and mature. I can tell that she is a compassionate friend to her friends. She is a hard worker with a great work ethic. I was impressed with her from day one."

We are lucky to have both Debra and Alex as part of our Mentorship Program.

Thank you for everything you do for our organization, Debra!
