THRU Project bridges the gap between foster care and adulthood. Programs such as mentoring, life skills classes, access to cell phones and bus passes, mental wellness support and safe housing help youth and young adults build a support network and a solid foundation for their futures. Your gift will empower youth with lived experience in foster care by providing the tools and resources they need to pursue their individual goals and achieve independence.

Help us **BUILD BRIDGES TO A BETTER FUTURE** at this year's **THRU PROJECT GALA** which will be held at Security Service Event Center on Saturday, September 27, 2025. Join us for dinner, cocktails, auction and entertainment.
